

R-CBM Progress Monitoring Using the Computer

Once you have set up a student's Progress Monitoring schedule, you can give the probes electronically. Follow the steps below to do so.

1. Click the **Progress Monitor** tab
2. In the **Next Score** column, you will see the words "Assess Now"
3. Click **Assess Now** to begin the probe. Be sure the student has the same probe that the program shows you when you click Assess Now (see below).
